COVID Protocols

Thank you to everyone who has gotten vaccinated and please get boosters when you are eligible. The longer this virus sticks around, more likely you are to be exposed or be infected. As per CDC guidelines, if you **test positive, or have an exposure** (regardless of vaccination status), please wait to return to the club after your symptoms have resolved or after 5 days (if no symptoms), whichever is later. If you have received the booster or are within 6 months of the 2nd vaccination, you are welcome to fence. This is per CDC as of Monday. Continue mask wearing and please distance as much as possible. Thank you for looking out for each other!

HAPPY NEW YEAR!

Do you want to try tournaments?

While national and international tournaments are not for everyone, regional or local events may be something to give a try! If you would like for information, pick up a "Fencing 101 Handout" at the desk. While directed towards parents, it is equally applicable for the adult fencer ready to venture into competition! Great people to talk to are Tam Dao and Ted Lendis.

Regular Teen Class

Teen class returns to their own class on Tuesday/Thursday from 4-5pm and Saturday 10-11am under the instruction of Coach Brent. Cavaliers will share space with them under Coach Lee and Coach Ashley.
