NEWS AND ANNOUNCEMENTS FROM BATTLEBORN FENCING CLUB

Masking at the Club

Covid-19 protocols continue to evolve and we will adjust accordingly. At this time, the mask mandate is optional indoors in the state of Nevada. This is not the case across the country. The policy of the club has been to follow CCSD. However, fencers may fence in jurisdictions which other requirements or tournaments which continue to require face masks. Case and point JO's later this week. As such, face masks will continue to be worn during bouting until USA Fencing indicates they will no longer require masks at tournaments. After bouting, we want to keep everyone healthy so this week if everyone would stay masked we can send healthy fencers to Salt Lake City. Coach Lee will revisit

masking upon his return.

Happy FEBRUARY Birthdays!	
2/3	Emma C
2/11	Alex L
2/18	Rylan R
2/18	Leo G
2/25	Alekey M

Good Luck to all our fencers competing in Junior Olympics this week! Stay healthy and warm in Salt Lake City and bring home great results and experiences!

Tournament Results
