NEWS AND ANNOUNCEMENTS FROM BATTLEBORN FENCING CLUB

Masking at the Club

Fencers and families are welcome to unmask! In accordance with CDC guidelines, Nevada is in the medium risk level and face masks are no longer required indoors. If you will be attending a tournament which requires facemasks, or if you prefer to continue to mask until Clark County is in the low risk level, you can continue to wear a face mask. We will still limit physical contact-no handshakes, no sharing water bottles, and please cover your coughs and sneezes.

Upcoming camps

Given the number of tournaments and activities, we are taking a survey to see if there is interest in a Spring Break Mini Camp. It would be 3 days (April 11-13) for \$210. If we have a minimum of 15 interested, we will hold the camp so please email your number of campers to bbfcfencing@gmail.com!

We have our summer camps scheduled! Summer National Training Camp will be June 20-24 to maximize conditioning and allow for rest and refinement before we start SN on July 2nd!

Beginner and Intermediate Epee camp is perfect for the fencer just learning fencing up to the fencer starting regional and national tournaments. With an emphasis on fun and skill building we will focus on technique and proper mechanics. And did I say fun? July 25-29. 9am-2pm
Lunch will be provided for both camps.
Sign-ups to come on AskFred.
