TOURNAMENT PLANNING

Now that we have the bulk of the 2022-2023 tournament schedule, our super organized veteran moms Tam and Nancy will host a planning workshop. Bring your calendars/agendas, school, work, family vacation plans and see what you should be considering when planning your events! They will help you identify the priorities for your fencer and your family. Tournament travel takes time, money, and energy. There is a lot to balance and a good but flexible plan is crucial to keeping fencing fun. RSVP to bbfcparents@gmail.com if interested so we can choose a date and time.

Share your knowledge with visitors (camp and tournaments) with your recommendations on our “Las Vegas List” of restaurants, hotels and activities. It is divided into areas and please feel free to add pages. We will distribute for the RYC next April as well.
